#### Conclusion

Congratulation! The system implementation has been verified and was found to be complies with the requirements of the specified standards applied for.

"NLY SDN BHD would recommend for the continued certification of the ISO 9001:2008 and the certification will be valid until next scheduled assessment".

Note :

The assessment was based on random samples and therefore nonconformities may exist which have not been identified. All the pages should be attached if the organization wishes to copy and delivered to the interested party.
